

2021

SLEEPOUT FOR SOUL

Our school has signed up to show its support

Would you like to do something great for the vulnerable in our community this year? Our school has signed up for Soul Café's big yearly fundraising event, Sleepout for Soul 2021, and we're putting a call out to students, parents and our community to get involved and help raise funds for a great cause.

Taking part is easy. Simply register, add yourself to our school page, set up or join a team (eg. class, year or sport team) and let the fundraising begin! You can choose to grab a swag and enjoy a night of fun, music, food vans and competitions at Bolton St car park or take part virtually via livestream, with Nick, Jess and Duko from 106.9 hosting on the mics!

Is that a yes? Great! Get your team together and add yourself to our school page today.

Will you?

**FRIDAY
21ST MAY**

**Bolton St car park
or virtually**

All students must be registered and accompanied by an adult for either event. All money raised goes to support Soul Café. This event is supported by our school and is not a fundraiser for our school.

Simply follow the instructions on the link below and at Step 2 select our school then set up or join a team.
